

The Blood of Christ

The Blood of the Covenant = The Blood of Christ = The Sacrificial Death of Christ

- **The Blood of Christ is the basis for the salvation of all people of all times and salvation has always been by faith in the promises of God.**
- **Believers in the Church look back to the sacrifice of Christ on the Cross and, therefore, are sprinkled with His blood the moment they place their faith in Him.**
- **The Blood of Christ is also the basis for the fulfillment of the New Covenant with Israel since God could not sprinkle Israel (as He will do in preparation for the Kingdom) until the once-and-for-all Lamb had been sacrificed.**
- **Believers in the Church enjoy blessings similar to those that Israel will enjoy under the New Covenant because we are operating in grace under the same Blood of Christ.**
